FEB 12 1999

LETTER OF MAP AMENDMENT
218-70-RS

IN REPLY REFER TO CASE NO.: 99-05-2396A

Community: Olmsted County, Minnesota (Unincorporated Areas)
Community No.: 270626
Map Panel Affected: Olmsted County, Minnesota and Incorporated Areas
Number: 27109C0025 D
Map Effective Date: April 17, 1995

We reviewed a request dated January 15, 1999, for a Letter of Map Amendment (LOMA). All required information for this request was received on January 27, 1999. Using the information submitted and the effective National Flood Insurance Program (NFIP) map, we determined that a portion of the property described below is located in the Special Flood Hazard Area (SFHA), an area that would be inundated by the flood having a 1-percent chance of being equaled or exceeded in any given year (base flood); however, the structure on the property is not in the SFHA.

Property Description:	Lot 2, Don-Mar Subdivision, as recorded on the Plat thereof, filed as Document No. 302693, filed on July 5, 1967, in the Olmsted County Recorder's Office
Street Address:	111 Willow Circle S.W.
Flooding Source:	Middle Fork Zumbro River

This letter amends the above-referenced NFIP map to remove the structure from the SFHA. The structure is now located in Zone X (unshaded). Flood insurance coverage for the structure may be available under a low-cost policy (see enclosed document). Because portions of the property remain in the SFHA, any future construction or substantial improvement on the property remains subject to Federal, State, and local regulations for floodplain management.

An additional enclosed document provides information about LOMAs. If you have any questions about this letter, please contact Helen Cohn of our staff in Washington, D.C., either by telephone at (202) 646-3457 or by facsimile at (202) 646-4596.

Sincerely,

Matthew B. Miller
