Corner History:

10-14-1897 William Fraser, County Surveyor, (Book A, Page 612, Survey No. 556) set stake well down with stone by side at intersecting quarter lines. 1/16th South set limestone with boulder on either side midway and on line at 19.77 chains (1304.82') to South 1/4.

6-17-1976 County Surveyor dug and found base of old post about 1' east of corner post. Did not look further.

6-24-1976 County Surveyor 1/16th South dug and found limestone between two boulders under north-south fence. RPs - 4' north of corner post. Doubled line and measure from South 1/4 over 1/16th. Point came at location of old post. Dug down to clay and found nothing.

9-26-1978 Roger Brand, County Surveyor, used computed center at intersecting quarter lines for Olmsted County Highway Right of Way Plat No. 9.

7-30-2003 County Survey Crew 1/16th South found limestone in good condition.
