Certificate of Location of Government Corner

ID#:523604 **Description:** S 1/4 SEC COR 36 52 **Date Set:** 4/18/2011 **County:** Olmsted

Section: 36 **Township:** 105N **Range:** 12W **Monument Description:** Cast iron cap on telspar pipe

Reference Ties:

The monument is down 0.3'
Corner falls in line with fence west and 32' east of corner post for fences north and west.
Post with sign north 9'
This corner is located by GPS measurement

Corner History:

9-1853 Gov't Notes West on south boundary of sect. 36 Elm 24 in. N17W 317 lks. Box Elder 10 in. N85W 90 lks.

10-1853 Fillmore County gov't plat shows the NE corner of Section 1-104-12 is 56 links (36.96') west of the south quarter of 36-105-12.

5-1886 T. Hunter P. 405 no. 394 N.W. corner 104-11 - iron set by Fillmore County Surveyor. Corner had been pulled & standing by fence. Two Bearing tree's left but would not place corner in any one spot or anywhere near where it belongs. Replaced iron monument by testimony of old settlers. 1/16 east set temp. stake 20.17 chs. M&L. 1/16 north set marked stake M&L 20.131/2 chs. which lies 4.14' south of R.R. (likely center line tracks)

11-1902 W. Fraser P. 44 B Found iron stake as corner (indefinite meas. east)

8-3-1978 Olmsted County Survyeor found 6"x6" topped iron monument at the NE corner section 1, T104N, R12W. 1' NE of a car frame used as a corner post to fences west and north. Set a survey marker sign and post 1' south. Also did additional work on S1/4 Cor. 36 - Orion Twp. (See cards)

5-22-1991 Olmsted County Surveyor Drawing 4-27A and 1983 Vince Fangman certificate show we gave Vince a location midway between section corners and on line from iron at NE cor 1 to SE cor 36.

1-25-2001 V. Fangman computed location 31.55' east from 3" iron bar with 6" square plate top at NE corner section 1-104-12. Vince Fangman's survey shows that the location was computed on an extension of a line from the SW corner of 36-105-12 through the found iron bar at the NE corner of 1-104-12. His certificate notes that the fence goes north from the monument at the NE corner of section 1-104-12 instead of going north from the SE corner of section 36-105-12.

2-28-2005 Olmsted County survey crew found 6"x6" topped iron down 0.2' at the NE corner section 1-104-12, Fillmore County. Post w/sign broken off remnants up 0.5' and 0.2' to the south.

4-15-2011 Joel Thoreson, Olmsted County Surveyor, visited the area of the corner and found no monuments or occupation lines at the south quarter corner of section 36-105-12. Found iron bar with 6"x6" iron top at the NE corner of section 1-104-12. The monument is 1' NE of a car frame used as a fence corner with fences north and west. Computed a location for the south quarter corner of section 36 by using midway distance from the SW corner of 36 and the SE corner of 36 and on a line from the SW corner of 36 through the found monument at the NE corner of section 1-104-12. The computed location is 31.63' east of the iron monument at the NE corner of section 1-104-12.

4-18-2011 Olmsted County survey crew set a 5' telspar pipe with cast iron cap at the computed location

7-21-2011 Olmsted County survey crew found CIC down 0.3' in good condition.
