Certificate of Location of Government Corner

ID#: 541506 **Description:** 1/4 SEC COR 15 16 54 **Date Set:** 11/5/1982 **County:** Olmsted

Section: 15 **Township:** 105N **Range:** 14W **Monument Description:** Cast Iron Monument

Reference Ties:

The corner falls 4' south of fence east and 7' west of fence south
This corner is located by GPS reference station "Grace A & B"

Corner History:

10-1853 Gov't Notes William B. Yerby, Deputy Surveyor North between sections 15 and 16. 40.00 chs. Set a quarter section post in mound of earth and sod. Deposited charcoal. Made trench and pits and planted Osage Orange seed East and West.

10-1857 E.P. Bircher, Surveyor, per J.B Fellows, Deputy, (Old Raod Book--Raod No. 84) surveyed a road running East and West at this corner (made call for corner).

6-1872 Thomas Hunter, County Surveyor, (Book A, Page 207, No. 215, and Old Fieldbook 1, Page 35) "Found short stake set in center of road, found by digging." He used the corner to set the 1/16 West, a short stake in center of road not marked, midway (19.98 chs.) and on line to the Center 16, a 4x5x12 inch stone, set at intersecting 1/4 lines. He also set the 1/16 West of the Center 16, a stake, midway (19.98 1/2 chs.) and on line to the W 1/4 Cor. 16.

1957 McGhie's "Assumed center of concrete cor fe. Post sec. 1/4 cor."

6-1972 County Surveyor dug at the Center 16 and "found 4"x5"x9" (point broken off) limestone about 2' deep in N-S road ± 8' West of centerline--Set 3/4"x15" rod over stone."

11-5-1982 County Surveyor dug for the corner but could not find it. Found no evidence of old road referred to by Hunter in Survey No. 215. Set a Cast Iron Monument over a 3/4"x25" re-rod as the corner on the line from the W 1/4 Cor. 16 (set this survey--See Cert.) over the stone found at the Center 16 in 1972 and at Hunter's prorated measure from the Center 16. The corner came 4' South of the fence line East and 7' West of the fence line South.

9-21-2004 County Surveyor found CIM down 1.3' in good condition. Corner falls a short distance into field. Tie to Willow clump is gone.
