Certificate of Location of Government Corner

ID#: 552506 **Description:** 1/4 SEC COR 25 26 55 **Date Set:** 6/19/2000 **County:** Olmsted

Section: 25 **Township:** 105N **Range:** 15W **Monument Description:** Cast Iron Monument

Reference Ties:

The corner falls 2' east of centerline of CR 115 and 359' north of centerline of residential driveway west
This corner is located by GPS measurement

Corner History:

5-1854 Michael Karrick 40.00 set quarter section post. Black Oak 10 N 75 W 363 (239.58). Burr Oak 10 N 48 E 327

10-30-1984 County Surveyor dug to cover midway between the section corners. Point came in line with new steel fence post fence running West (could find no evidence of an old fence). Line came 2' East of the centerline N-S road. Dug as follows: Dug 3' deep to clay. Found a small stake 1 1/2" x 12" lying flat in hard packed black dirt at top of dirt. Could not find hole where it had stood. Scraped to clay. Found another small stake 1 3/4 x 11" but no hole or mark. Believe both stakes from same piece of wood split down the middle. Both came from centerline road and midway point area. Probably plowed over in road grading. Searched for bearing trees and had good possiblity for NW tree but turned out to be N 80° W 24°' from point 5' West of centerline and midway and believe tree a Burr Oak, not a Black. Need yet to dig in line with fence from East (1/4 mile East) which better fits 1/16ths N & S.

4-16-1997 County Surveyor settled on corner set M & L for Jerry Schwarz survey in E 1/2 SE 1/4 see 25.

6-19-2000 County Surveyor set CIM down 0.3' at M&L position.
