Reference Ties:

The corner falls in line with fences N-S-E
Post w/sign east 2'
This corner is located by GPS measurement

Corner History:

6-23-1853 Gov't Notes: N 40.00 chains, set quarter post in mound and pits and deposited lime rock 18"x12"x8".

7-1890 Thos Fraser (P.444 No.429 S.12) C. Carter and others found stone 4" square on top with stake by side. Set by Mr. Carter and Mr. Gitenger a year before where the original stake stood, undisputed.

10-10-1974 Olmsted County Surveyor dug around and found a 4" sq. limestone about 15" deep. Drove a 1/2"x12" rod on the west side and set a CIM over all. The corner lies just NW of the cor post.

4-12-2000 Olmsted County Surveyor found CIM at surface in good condition.
