Corner History:

4-17-1871 R. Perry by T. Hunter (P.182 No.193) set marked stake at true inters lines. 1/16 north set stake M&L 19.91-1/2 line west. 1/16 east set stake M&L 19.94 line E&N.

1935 County Highway Department notes say that center sec found and used.

10-8-1979 County Surveyor dug here from the traverse nail east and north and found a soft spot and small pieces of stone which was a possible post or stake location 3.0 east and .4 north of t.n.

10-9-1979 County Surveyor dug from the t.n. set 2-1/2' N of the I-90 R/W fence east 11' and south for 6'. We found the remaining 9" of a stake or very small post (less than 3" diameter) standing with top down 1'. We could not find whether it had been sharpened although the tip was very rotten. It had not been dug in. The stake was 10.6 east and .4 south of the t.n. We set the stake back (down 1/2') with a spike driven in the top and set a small boulder on the east side. The stake in 2.1 N of the N I-90 R/W fence. Dug from the base of a post stub found 10-8-79 west 3', north 3' and south 3'. Found nothing. This digging on the west side of the N-S fence. The post stub found on the 10-8-79 was on the south side of a newer large post in the N-S fence previously dug on the east side of the fence.

10-18-1979 County Surveyor dug some more on the east side of the fence from the post stub found east for 3' and north for 3', found nothing.

7-8-2013 County survey crew visited the area. No survey monuments were found.
