Certificate of Location of Government Corner

ID#: 641909 **Description:** SEC CEN 19 64 **Date Set:** **County:** Olmsted

Section: 19 **Township:** 106N **Range:** 14W **Monument Description:** Note: Information regarding this center of section is provided for reference purposes only. A professional land surveyor should make the decision whether to use any existing survey monument or the computed intersection of quarter lines.
Computed location has been used since (1994)

Reference Ties:

This corner is located by GPS reference stations "Donovan A & B"

Corner History:

11-4-1857 T. Hunter, Pg. 39, No. 61, Measure west 38.92 chains to 1/4 post, measure east 40.0 chains to 1/4 post, 1/16 north 19.89 chains M&L to 1/4 post.

6-5-1889 T. Fraser, P. 433 No. 420, corner in dispute 2 or 3' as to location of existing fence corner, as usual left as is.

4-1923 J. Kerr, P. 390 B set stone at inter. Lines, measure east 2653 to stone set on W. Fraser's stake, measure west 2566 to stone, 16 North set stone M&L 1319.7, 16 center NW1/4 set stone - measure N 1320.27, E 1326.4, 16 center NE1/4 19 set stone M&L 1328.25 on E-W 1/16 line. Measure south 2636.6 to stone set from NW Bearing Tree.

2-1990 County Surveyor visited corner and fences all directions.

6-23-1994 V. Fangman set 1"x30" shaft at intersecting quarter lines at center at section 19.

8-14-1996 McGhie & Betts used computed position.

10-19-2000 McGhie & Betts set 5/8" pipe w/cap #11622 at intersecting quarter lines in platting Herritage Hills Subdivision.

9-20-2002 McGhie & Betts found and used 5/8" pipe w/cap #11622 at center of section 19.

3-11-2005 County Surveyor found 3/4"x3' iron shaft at surface, took ties and removed. Probed hole, did not hit stone. Replaced 3/4" iron, also found 5/8" I.D. capped RLS 11622 pipe .35 south and .20 west of 3/4" iron. Probed below 5/8" pipe and did hit resistance down 2.0'±. Did not dig down to see if that was the stone replaced 5/8" pipe. The intersection and the quarter line computed from the County Surveyor GPS falls 0.17' S and .02' E of the McGhie pipe.

1-12-2006 Yaggy Colby found and used 5/8" pipe w/cap.
