Concrete nail in knot on N side 16" Pine up 4.5' SE 88.47'
Concrete nail in SE side PP #8657 up 8' SW 30.81'
This corner is located by GPS measurement

Corner History:

10-1884 T. Hunter Pg.393 No.384 set no corner

5-1983 W. Fraser Pg.508 No.477 set stone 4"x12"x23" on section line in line of fence west.

11-10-1970 Olmsted County Surveyor could not find the stone although we dug large deep hole with tractor. Stone probably washed away as the subsoil was very disturbed and mixed. Set corner after very extensive measuring and running of lines to establish the correct location as per W Fraser survey Set temp. rod.

7-3-1972 Olmsted County Surveyor set CIM over 1/2"x3 1/2' pipe at 1970 location.

5-25-2001 Olmsted County Surveyor found CIM down 1' in good condition on the West shoulder of twp road North.

2-2-2010 Olmsted County Surveyor found CIM down 1' in good condition.
