Section: 11 **Township:** 107N **Range:** 11W **Monument Description:** Cast Iron Cap on telspar pipe

Reference Ties:

The corner falls 11 1/2' east of CP to fences N-S-W and in line with fence west
County Survey Disk in N side CP W 11.55'
This corner is located by GPS meaurement

Corner History:

10-1853 Gov't Notes William A. Jones, Deputy Surveyor North between sections 10 and 11. 40.00 chs. Set a quarter section post in mound of earth and sod. Deposited charcoal, made trench and pits, and planted osage orange seed East and West of the trench.

10-1900 William Fraser (P. 695 No. 615), County Surveyor, states that the corner came in a field and was lost. Set a boulder 24" long with an 8"x8" bottom and coming to a point on line and midway between the section corners.

6-20-1977 County Surveyor found the stone recorded by Fraser with 6" above ground. Set a Cast Iron Cap on a square pipe at the stone location and reset the stone (dug down) on the West side of the monument.

1-6-2009 County Surveyor found telespar pipe w/CIC down 0.6' in good condition. Tie in CP but did not check.
