Reference Ties:

The corner falls 4 1/2' north of centerline of CR 107 and 19' west of centerline of residential driveway south
This corner is located by GPS measurement

Corner History:

9-1853 Gov't Notes William Jones, Deputy Surveyor North between sections 20 and 21 40.00 chs. Set a quarter section post and ascend a bluff Burr Oak 6" N42E 296 lks. Burr Oak 7" S18W 204 lks.

6-1895 W. Fraser (P. 575 No. 526), County Surveyor, states corner was missing but found N.E. bearing tree which placed corner about where settlers believed it was. Set stone 3" x 5" x 32".

6-1895 W. Fraser (P. 577 No. 527) found corner set. Placed a stone 3" x 8" x 24" at 1/16 West midway and on line.

10-3-1974 County Surveyor dug with backhoe and found nothing. Stone probably graded out as road is in the cut of the slope to the north. Found 1/16 stone West set by W. .Fraser and had found 1/4 corner 19-20 in 1973 so ran line of West 1/4 corner section 20 over 1/16 stone and checked with original N.E. bearing tree still standing. Used bearing tree to set the corner. Set CIM over 5/8"x15" iron rod.

10-14-2008 County Surveyor found CIM down 0.7' in good condition.
