Certificate of Location of Government Corner

ID#: 742505 **Description:** SEC COR 25 26 35 36 74 **Date Set:** 4/10/78 **County:** Olmsted

Section: 25 **Township:** 107N **Range:** 14W **Monument Description:** Cast Iron Monument

Reference Ties:

The corner falls in 200 block of 14th Street NE and 5' south of centerline on curve
SE Corner (Fdtn) of House #211 NNW 84.57'
SE Cor (Fdtn) of House #215 NE 83.91'
Center of man hole cover N 5.25'
Top of fire hydrant SW 21.53'
County Survey Disk west side of PP SSW 18.71'
County Survey Disk in south side of PP SE 55.20'
This corner is located by GPS measurement

Corner History:

6-1854 Gov't Notes, M. Karrick, Deputy Surveyor, North between sections 35 and 36. Burr Oak 12" N62ºE 450 lks. Burr Oak 7" S25ºW 60 lks. Dug trench. This corner has been used for several plats surrounding it. It apparently was destroyed in street or sanitary sewer construction.

5-1856 T. Hunter Pg.8 No.13; 1/16 north 19.60 chs. M & L(N87 1/4°W136 links)&(S36 3/4°E 55 links)

4-10-1978 The County Surveyor dug for this corner. Found the area to be cut but found a black mark in clay too large to determine an exact corner location. We found several lot and block corners in Barck and Merz Addition, in Gardener's First Subdivision, and in Outlot 18, Northern Addition. We set a C.I.M. over a 1/2" rod as the corner at the intersection of the line from 1/4 Cor. 25-36 over a point 33' South of the S.E. Cor. of Block 1, Barck and Merz Addition (an iron found) and the line from the S.W. Cor. of Block 5, Barck and Merz Addition (a pipe found) over an iron recorded 4.0 North of the S.E. Cor. Outlot 18, Northern Addition by John Kerr in 1960 (See Kerr Book 81, P. 65).

10-10-2003 County Surveyor found CIM down 0.1' in good condition.

12-15-2003 County Surveyor found CIM down 0.1' in good condition.
