Certificate of Location of Government Corner

ID#: 830108 **Description:** N 1/4 SEC COR 1 83 **Date Set:** 8/6/2012 **County:** Olmsted

Section: 01 **Township:** 108N **Range:** 13W **Monument Description:** 1" Square Pipe with Cap

Reference Ties:

The monument is at the surface.
The corner falls in centerline of CSAH 11 and 14' west of fence south
This corner is located by GPS reference stations "Pastor & 933605"

Corner History:

5-12-1976 Olmsted County Surveyor dug 6'x8'x7' deep in centerline E-W- road. Digging centered on calculated midway. Found nothing. CMP set in black dirt will destroy most of area further east.

5-17-1976 Olmsted County Surveyor dug again north of previous diggings. Found possible stake hole 11.8' W of new traverse nail and on line from S 1/4 35 to twp corner. Followed mark 16" down into clean clay.

8-8-2007 Olmsted County Surveyor computed the location of the stake hole using 1976 traverse data. County survey crew set PK nail at the computed location.

8-6-2012 Olmsted County Surveyor computed a new location at the intersection of a line from the southwest corner to south quarter corner of Section 36-109-13 and from the south quarter corner of Section 1-108-13 to the stake hole/PK nail near the north quarter corner of Section 1-108-13. The computed intersection is 2.81' south of the stake hole/PK nail. Set a 1" square pipe with cap at the computed intersection and removed the PK nail.
