Certificate of Location of Government Corner

ID#: 830208 **Description:** N 1/4 SEC COR 2 83 **Date Set:** 8-3-2012 **County:** Olmsted

Section: 02 **Township:** 108N **Range:** 13W **Monument Description:** Cast Iron Cap on telspar pipe

Reference Ties:

The corner falls 1 1/2' south of E-W fence and 10' east of N-S fence
Steel post 1' north
This corner is located by GPS reference stations "Kitzman A & B"

Corner History:

This corner was not monumented as part of the Original Gov't Survey

7-17-2007 Olmsted County Surveyor found 2" CIC on 1/2" pipe down 0.1' in good condition. This monument was set by the Wabasha County Surveyor and appears to be based on the incorrect monument at the NE corner of Section 2 which has been disturbed.

8-3-2012 The proper location of this corner is dependant upon the NE corner of Section 2-108-13 which was disturbed and has been recently reset in its correct location. The Olmsted County Surveyor computed a position on line from the southwest corner of Section 35-109-13 to the south quarter corner of Section 35-109-13 and midway from the NW corner to the NE corner of Section 2-108-13. The computed location is 0.03' north and 0.29' west of the inplace CIC on 1/2" pipe. The survey crew removed the cast iron cap on 1/2" pipe and additional 1/2" pipe below and set a 4' telspar pipe with cast iron cap at the computed location.
