Corner History:

No court house records. Schultz family, homesteading SW 1/4 10 claims once a long stone was at corner having been removed in setting corner for 4 way property fence.

4-18-1969 J. Kerr staked 10 acres + cutting old homestead from rest of farm. Found heavy steel braced corner post concreted in as corner 4 way fences, also post similar 2' south for fence south but no doubt as to first post being accepted as true center section 10. Run aerial line from W 1/4 10 stone found by county CIM. Set 1-1/4" pipe up 6" as property corner 465' east of W 1/4 10 came exactly under fence also set 3/4" pipe 50' east of W 1/4 10. Set property line 985' south of W 1/4 10 with 3/4" pipe 50' east nothing in road with 1-1/4" pipe 465' east of section line and at parallel line to E-W 1/4 line S.10.
