Certificate of Location of Government Corner

ID#: 832406 **Description:** 1/4 SEC COR 23 24 83 **Date Set:** 8/8/1983 **County:** Olmsted

Section: 24 **Township:** 108N **Range:** 13W **Monument Description:** Cast Iron Monument

Reference Ties:

The corner falls in centerline of north-south township road (70th Ave NE) and 1-1/2' north of fence east
The monument is down 0.9'
County Survey Disc in CP E 29.73'
County Survey Disc in PP #20003 SE 77.11'
County Survey Disc in PP #45097 NE 136.98'
This corner is located by GPS measurement

Corner History:

5-15-1854 William B. Yerby, Deputy Surveyor, measured north 40.00 chains between Sections 23 and 24. Set quarter section post in a mound of earth and sod, deposited charcoal. Made trench and pits, planted Osage Orange seed east and west.

11-8-1877 Thomas Hunter, County Surveyor, (Book A, Page 323, Survey No. 317 and Old Fieldbook 5, Page 26), "1/4 post missing and no trace of it could be found by careful search and digging. We however found the remains of an old fence running west, which was said to have been set on line of old quarter post when standing. But to test it further, we measured north to C (Section Corner 13-14-23-24) 39.97 chains, which tested to verify its correctness." He used this location to set the Center 24, but did not set a monument.

7-26-1983 County Survey Crew dug with backhoe in north-south road and in line with the fence east (line west is now grown up with trees and brush and the fence there is around the brush). Found nothing.

8-2-1983 County Survey Crew dug again. Found nothing.

8-8-1983 County Survey Crew set Cast Iron Monument over 3/4"x18" iron as corner on line from East 1/4 Corner 24 over stone found at Center 24 and in centerline of north-south township road. The corner falls in centerline of north-south township road and 1-1/2' north of fence east. RPs - County Survey Disc in PP #45097 NNE 136.98', County Survey Disc in PP #20030 SE 77.11', County Survey Disc in corner post E 29.73'.

9-7-2010 County Survey Crew found Cast Iron Monument down 0.9' in good condition and measured its position using GPS.
