Location of Center of Section

ID#: 840609 **Description:** SEC CEN 6 84 **Date Set:** 6/4/1969 **County:** Olmsted

Section: 06 **Township:** 108N **Range:** 14W **Monument Description:** Note: Information regarding this center of section is provided for reference purposes only. A professional land surveyor should make the decision whether to use any existing survey monument or the computed intersection of quarter lines.

Cast Iron Monument

County Surveyor recommends using the monumented center of section.

Reference Ties:

The corner falls 7' south of centerline of east-west township road (130th St NW) and 1' east of fence north
The monument is down 1.1'
Nail & Blue Disc in corner fence post, up 3', N 46.13'
3/4" rod, up 0.1', with sign post, S 22.68'
Nail & Disc in power pole WSW 120.7'
This corner is located by GPS measurement

Corner History:

5-15-1877 Thomas Hunter, County Surveyor, (Book A, Page 309, Survey No. 303), 1/16th Center SW 1/4 found stake set by H.E. Horton.

9-18-1893 William Fraser, Deputy County Surveyor, (Book A, Pages 533-534, Survey No. 496), 1/16th Center NW 1/4 "We located this corner according to measurements given on plat as we did not wish to take the time to run it in as it should have been and this satisfied all partys interested. Planted boulder stone."

6-12-1894 William Fraser, Deputy County Surveyor, (Book A, Pages 550-551, Survey No. 508), set white cedar stake at intersecting quarter lines. 1/16th East set boulder with hole in it midway and on line at 20.03-3/4 chains (1322.48').

6-3-1902 Charles Armstrong, County Surveyor, (Book B, Pages 56-57), found stake lying on road bank having been plowed out by plow or scraper. Mr. Lubahn testifed that he set his corner post 2 rods north of stake. Dug and found impression of stake. Set 8"x8"x12" boulder with original stake beside it. 1/16th North set temporary stake on line at proportionate government measure. 1/16th West set iron pin with boulder on line at proportionate government measure. 1/16th Center NW 1/4 set 1/2"x22" iron stake at intersecting sixteenth lines. 1/16th Center SW 1/4 found stake. Set 6"x10"x16" limestone.

6-4-1969 John Kerr, County Surveyor, dug and found boulder stone with 3/4" rod on south side. Set Cast Iron Monument over stone and rod. The corner falls 7' south of east-west township road and 1' east of fence north. RP - Nail & Disc in power pole WSW 120.7'.

12-10-1974 Roger Brand, County Surveyor, found 1/2" rod over Cast Iron Monument. The corner falls 7' south of centerline of east-west township road and in line with fence north.

5-20-1975 Roger Brand, County Surveyor, dug extensively north of monument but did not find anything.

7-15-1982 McGhie & Betts, Inc. found and used Cast Iron Monument.

6-21-1983 McGhie & Betts, Inc. found and used Cast Iron Monument.

1-8-1987 McGhie & Betts, Inc. found and used Cast Iron Monument.

10-27-2000 Vince Fangman found and used Cast Iron Monument.

10-3-2002 County Survey Crew found Cast Iron Monument down 1.2' in good condition and measured its positiion using GPS.

2-19-2007 GGG found and used Cast Iron Monument.

2-26-2010 Rudy Martin, MnDOT Crew Chief, found Cast Iron Monument in good condition.

5-6-2010 County Survey Crew found Cast Iron Monument down 1.1' in good condition.

9-7-2010 G-Cubed used Cast Iron Monument position.

7-25-2011 Joel Thoreson, County Surveyor, recommends using the monumented center of section based on historical use of this position.

9-15-2011 Fangman Land Surveying used computed center at intersecting quarter lines.

10-17-2011 Keith M. Kallin, MnDOT District Surveyor, used Cast Iron Monument for Minnesota Department of Transportation Right of Way Plat No. 55-106.

11-7-2011 Mike Hendrickson, MnDOT Crew Chief, found Cast Iron Monument in good condition. Set 2 additional reference ties as follows: Nail and blue Disc in corner fence post, up 3', North 46.13', 3/4" iron pin up 0.1' with sign post, South 22.68'.

12-6-2018 Mark Severtson, County Surveyor, used Cast Iron Monument for Olmsted County Highway Right of Way Plats No. 220 and 221.

9-5-2025 Eric Stennes, County Surveyor, used Cast Iron Monument for Olmsted County Highway Right of Way Plats No. 283 and 284.
