County Survey Disk in 10" Burr Oak NNW 58.51'
Center 20" White Oak NNE 22.0'
Spike in W side 7" Elm SSW 12.18'
County highway disk in 14" White Oak NW 25.99' (grown over)
Post w/sign 1' north
This corner is located by GPS reference stations "Muffin B & C"

Corner History:

6-1854 Gov't Notes: M.G. Karrick, Deputy Surveyor North between sections 23 and 24. 40.00 chs. Set quarter section post. Bur Oak 12 in. S31°W 382 lks. Bur Oak 8 in. N44°E 150 lks.

5-1877 Thomas Hunter, County Surveyor, (Book A P. 308 No. 302) found the original corner standing and tested it with the N.E. Bearing tree. Set a stake at the 1/16th East, a boulder at the center 24, and a stake at the 1/16th East of the center 24.

5-27-1975 County Surveyor dug for the corner at double the line and measure of a pipe set by W.H.K.S. on the West side of a tree used as the corner post to fences E-W-S at the 1/16th South. Did not find anything after digging approx. 5' diameter. Set a spike at this location. Dug around the W.H.K.S. pipe at the 1/16th South but didn't find anything.

6-1-1976 County Surveyor dug again at the center 24 after finding the E. 1/4 Cor. 24 but did not find anything. Dug at the 1/16th West and the 1/16th East on line from the spike at the W. 1/4 Cor. 24 to the E. 1/4 Cor. 24 and at Hunter's prorated measure as per Survey No. 302. At the 1/16th West of the center 24 found a possible stake hole .42 North and .04 West of the prorated location. At the 1/16th East of the center 24 found a possible stake (I.e. wood pieces) .13 South and .62 West of the prorated location.

4-28-1978 County Surveyor set a Cast Iron Cap on a square pipe at the location of the spike set in 1975.

10-7-2005 County Surveyor found telspar w/CIC in good condition up 0.4'. Elm with spike in north side down, tie in White Oak grown over. All other ties there but did not check distances.
