Section Corner southeast 1 High Forest 104-14

6-8-95 Org with Buckhue at D. Knutson #430605
½" Iron pointed Fd 4"x24" wood stake in good condition with 7" of Axe mark plain at point. It was leaning Northerly because of wet ground movement and construction of the original road. The point of the stake went 7" into clay. The bottom of the stake was 6" deep. Set 1" sq pipe 3' long in stake hole at clay line.

6-9-95
Set CIM over 5/8" Iron at Location of stake found. This falls 3½' west of main ℄ Twp Rd South ½ in ℄ E-W road
