/ 11-12-1971 set flat granite stone slat as corner. (1)
11-18-1974 set T.I.M. in place of stone over ½" x 24" rod.
¼ Corner 1-2 Hi Forest 104-14 #440106
5-1902. H Frazer P16B S1 104-14 south lines
S 34-35-36 105-14, John Beach, Robt Sattler, John McBride.
Found post in what appeared to be a Mounds. Mr Andrew
Bonner owned to set post in place of post stake.
also O P Stofer owned when surveyor Freeman worked
for him that the post was on line between Sec. corners.
- Meas south. 46.16. [2650.56' to stone.
- 16 north drove temp stake on line and post corp.
north 19.87 then 18.87 to W W cor. to temp stake
set on line 19 11.42 of south line S35 and projected line S W 1 per
W 64.

-16 east set stone 6x8x20 N&L no meas.
-16 Center NW 1/4 S1 set stone at inters 1/16 lines.

11-12-71 Co. surv. 9-16 found stone at Center 1 -
11-12 ran and meas line west - found recorded stone about 6x8x20 at 1346.9. - set up exact line and cont. west same distance and set very strange sized piece of granite only 2" thick shaped like a drop of water.
- found definate wood stake in piece as it was quite rotted - could easily have been recorded post
- set stone on projected line which proved better at E 1/4 1 than if stone was set at stake some .3' south.
corner 1.5 E/2.0 S of corner post of new fence south
- fields on N side E-W fences much eroded or 3' lower.
corner could be in danger if fence removed. set rod duplicate.
