#450404 ①

1/4 Corner south 1/4 4 Hi Forest 10 4-15
10-1895 H Fraser P584 no 533 S4 F.&C. Roeder.
found stake located by side of fence post by
Mower County surveyor. left as found.
-16 west drone stake M & L 20.07 1/4.
-16 east found stake M & L 20.03 1/4 set by Mower Co surveyor.

---

used this corner in this survey to set SW cor 4 so
meas from SW 4 west to S 1/4 5 same as above
from SW 4 to S 1/4 4.

Gov't Notes Ball 1853
West on true line between sections 4 & 9.
40.015 Set ¼ section post. Made mound with trench & drove charred stake in center & planted osage orange seeds in S.E. corner.

6-1878 T. Hunter p 351 No. 343 fd mound and pits all plain, but stake missing so drove new stake in center of mound

11-23-93 Dug for stake beside fence post used by W. Fraser in 1895. We dug from Just East of T.N. to 4½' west to cover ¼ line from north. There were many boulders in hole we fd. a dead man post Anchor in Clay. A Position where ¼ line falls the only posts where the two

11-23-93 cont. that are here and used today.
We found nothing that seemed to be a stake
or post hole. Clay was 3½' deep on the south
side & 2½' deep on North side. We dug 2½'
North & South of the T.N.
