Dug here with Backhoe in open Soybean field Next to Berm on south edge of Creek running E-W. We dug to Cover 1/4 line Stones from west in Sec 12 and on Section line between Corners Set or Found in this Survey we dug north from this spot to Cover M&T. There is much black dirt here. 3' Near Berm & 2' out in main field. From the Intersected line location we dug 3' South, 12' North, 4' west & 3' East. Found Nothing Zig-Zag Fence along Creek is only fence in area. There is a stub fence North of Creek about 100' until it hits small field open accross line then more fence Running North. the line Comes in I 13' west of Intersect position
