Dug in old E-W Road using W. Fraser Measure from stone found @ Center 12 looking for stone over post this is a Cut and Wash area we hit shelf of bed rock in layers at 1' deep the rest of fill is Medium Size stones real hard to dig. I think the road is gone that Frasers worked in. We will look for More Corners to establish. The line of fence South fits 1/4 line using C.P @ 1/4 12-13 over stone @ Center of 12
