✓ 1/4 Cor 1-2 105-11 Elmira

dug for stone used by Frasers in 3 surveys The stone they fd was 1½" SE of stone fence we dug at Ridge at end of stone piled in row that could be base of stone fence. there is a drainage way that runs where corner would be. bedrock was only 6" deep in run area (fd nothing) May use end of stone fence @ later time after more measuring.
