Dug for Stake set by T. Fraser from Brg Trees to set Center of Sec 12 stone. Newer C.P. to fence E-W-S does not reach Clay line. we found wire below surface running to area on E'ly side of C.P. we dug below Existing C.P. and found Square □ 8"x8" Post mark running in to Clay. We scraped this mark to its bottom and Found a 2" diam Stake mark running into Clay below Post mark. (clay line was 2½' deep) Set CIC/4' long Telspar pipe in Stake mark hole. This falls on East side of Existing C.P. The Corner lines with Fence E-W-S. Nail Survey marker Sign on Corner Post
