Center Sec. 33 Elmira 105-11

4-1878 T. Hunter Bk 5 p. 60 Unrecorded survey Sec. 33 Set Center 33 apparently - 1/16 Corners all 4 ways - See Book 1985 Center of section falls in cult. field.

8-14-85, (Center SE 1/4: Dug from a point at intersecting 1/4-1/4 line (assuming present corner correct and E 1/4 Cor. under N-S fence at traverse nail) for 2' North, 2' West, 6' East, and 8' South by 4' deep to clay. Excellent condition with 1' hard packed black dirt (looks like former pasture as present on South side of road) but no corner.

Bad angle in SE corner of hole so only getting 4'± South here
