1 9-23-68 set C/M over 1" split pipe #520405

(1)

section corner 4-5-8-9 Orion 105-12

6-1891 Thos Fraser P452 no 436 & 8 James canyon

✓ Could not find corner, nor any evidence or knowledge of it set nothing but measured 2 miles from 1/4 4-5 to 1/4 16-17 each half mile being 2640.2 - survey required center section thus making 1/4 8-9 essential for N-S measure only

---

7-1968 J Kerr.

set 120 D 2" with mail box 1.0' from east edge N-S road in line center road west to meas south - record 2640.2 to 1/4 section corner south or 5280.4 - actual 5251.3 to stone found at 8-9-16-17. indicating road west too far south. (over)

8-5-68. set ½"x 3' rod as corner 5280.3 north & SE8 and 5268 ~~west~~ East of NW 8 as per records. (what records?) rod corner 29' north center road west - 5' east of east edge traveled road north. 91.8 SW to center no plate on power pole

9-23-68. set corner CIM after running 2 mile & meac. did not dig. nothing & low lands.

- SW corner main house NNE 170.9.
- Elec in power pole #553 SW 68.9.
- corner lies 3' east of east edge traveled N-S road.
- " " about 27.0' north center road west
- " " " ~~2629± to N ¼ 8~~ 2638. to NW¼ 4 & W½ 9.
