property line east 1145.18 very indefinate as to N-S.
good fence north could be anywhere dug ditches. and
stone may have been in ditch.
- went to 1/16 N & center, found perfect limestone just west
& corner post & 4 way fence down nearly 2' fill from S.W. fields.
- Meas south on 40' @ W no angle correction and found near
center road near 21 lks Meas. & 1328.25'
dug on this meas and ± 40' @ east & N S fence offsets.
dug massive hole found old road down some over 2' and
not bad & corner was set deep enough. found dark
area and in following it down found rectangular shape
& stone with small limestone erosion chips on outside
& this stone shape at very good meas from north.
and a little east & fence south - poor brushy fence N.
