#531601

X 4-19-72 found J Kerr corner post remains
4-26-1973 set CIN over ½" rod in place 1 above ①

¼ corner 16-21 Pleas Grove 105-13.
dec 1 3-12-75

11-1886 Hunter P417 no 406 S16 P. Redmond, W. Levan.
found. marked stake by fence corner,
tested by stump of NW BT, . proved correct, left as is

4-1895 H Fraser P565 no 518 S16, C Russel, L Zylor.
-1/16 east set stake N&L 20.08 to corner P 410.
-1/16 west set stake N&L 20.00 to corner. set chiseavey.

11-1939 L. Kerr P544B B16 P58 Erwin Chace.
used fence corner as near recorded corner

over)

found 1' corner fence post rotted off. accepted as corner.
- meas north total 2568.4. acted 1972 by mr amoe.

set iron for SW corner woodlot 23 at 642.1
south of center 16.

- fieldbook 16 P 56. offset north 12' and
ran & meas line west. to 3/4" iron set as SW 16.
2638.2, line fell 3.53 N of iron.

4-19-72 Co surv. set up 50' ⑤ E from center 16 stone and iron post set in concrete as SW corner woodlot 23. R 642.1 Act 642.1
Cont meas S 2568.43 as recorded. - found old wood corner post covered & sodded over at 49.3 west which proved corner as used by J Kell. set 2" oak post on old post hob. 2637.0
- ⑤ N 40' and ran line & meas west to iron set by J Kell. JK 2638.2
also found Corner in steel post 16.5' Due north - tried to parallel fence west and line seemed true but came 30' N of J Kells corner only at SW 16.

#531604

Card # 2. 1/4 16-21 Pleasant Grove 105-16 (2)
4-26-73.
set C/M over 1/2" rod removed post stub.
set ele. fence post .4' S.W. of C/M (top level ground.
16.6 N to center 2" solid iron shaft set in concrete.
25.6 SE to 20 D on N side blazed 12" W oak (unclup)
26.4 SW to 20 D on W side blazed 7" burr oak.
final mean north when survey completed=
Center 16 stone. Not correct line now 10.5 last 5.4 north exact.
1/4 16-21 west to I Ken bolt at 16-17-20-21 Elecfval 2636.58'
This does not commit that iron bolt correct as final N & S.
at 16-17-20-21 but due to work done North of corner likely final.
