Sp PP NE 39.0 —— Center 18" elm. SW 34.33.

T.H. 30 RW map shows iron bar (1/2" x 1 1/2") in place as Center Sec. 32 11.8' North of POT 211+18.8

also map shows fence North @ Sta 211+23

12/8/80 (Center 32) Dug at "dip" marked by MHD at North edge blacktop and in line with fence North. Dip turned out to be magnetic stone. Measured 2629± from fence North at Center to location of above share

at E 1/4 Cor 32 & dipped again 8' West for Kerr iron. Got another dip but it turned out to be a magnetic stone too. Could not dig Kerr iron - apparently cut but in road grading. Did not dig to clay for mark.

11-1987 T Ferg. shows RR spike at corner - probably used Kerr's spike at N 1/4 32
