Also N¼ 3, Sumner Twp.
8-1902. OH Case P45B Copy of survey made sent to W Fraser.
Set
found corner - set piece of cast iron, part of grain binder
arm No D 180
- meas north 39.80⅔ to pipe set N 8 L
plat shows "cast iron" set at 1/16 north.

7-1930 Co H.D. B51 P43 found. Cast iron piece as recorded.
Meas west 2642.4 mile west 5283.3

6-2-1978 Found an iron down ½', 0.5' So of the E-W Fence. Iron (approx 6"x2" top) 5.8 East and 1.95 S. of the traverse nail. Drove the iron down and

set a CIM over it. Set a Survey marker sign .6 East. The corner is 157' East of the line of the fence South.

11-14-84 N 1/4 Cor 3 Sumner Twp: Found 1½"x2½" stopped Cone iron appx 1½' NW of corner post (leaning SE) to fences East and South but in line with fences East and South. Iron down ½' but in danger of being plowed out.

11-14-84 1/16 East of N 1/4 Cor 3, Sumner: Dug around corner post but post set in large piece of concrete. Found a boulder lying flat by East edge of concrete which could have been a corner now disturbed when concrete post set. Fence line here appx 2' farther South than corner post at 1/16 East of S. 33-34 which is ____ East.
