Card # 2 8-9-16-17 Hi Forest 105-14

8-6-1970 Co surv. found iron grate down 16" (hard to find.) set C/M down only 4" with 1½ x 17" pipe below grate on each side piece of plate below plate. much glass & trash.

- 1¼ x 26" tapered steel tube up 3" under fence (E side) N 100.0
- Nearest side of heavy angle corner post N 33.9
- Corner lies .3' east of fence N - .3' west of fence south.
- " " 1 foot plus south of ℄ existing road.

all orig. this gone completely

- run line west over rod in ℄ black top at ¼ 8-17 to area of 7-8-17-18. missed mon mer)

west end 10'+ north indicating 1/4 8-17 (assumed to be off. if it lined with center road east would come 5'+ south making line correct. will dig for 1/4 8-17 in Blvd

- dug extensively under black top for large boulder, found only where much search had been made to find corner. set 1/4 8-17, a C/M, M O L. 2614.53 R 2612.78

9-20-72. dug with back-hoe from C/M north 41 W 4' E 4' found 18" rockfill over very wet sub-grade. but no stone, deep black mark in clay. NE of C/M 2'± but nothing positive as similar grate (orig corner) was found (9-20-72) at 11/16 N of 1/4 9-16 at least 2 & 3 feet west of true stone found its may be. grate at 8-9-16-17 also some incorrect, left C/M as is.
