Cover

Meas south 40.03.
-16 east set boulder. 8 x 10 x 22. M&L. 20.03.
(in airport)

1957 McGhee Airport survey.
found limestone between corner posts 3' deep set 1" riser.
- meas north & south 2643.3. R 2642.0
- meas east 2645.9. R 2644.0
Corner lies in E-W fence, 2' east of N-S fence.

7-25-72. Meas by chain without line north of C/M at 8-9-16-17 - found recorded stone just E of corner post. in new N-S airport fence. Corner post not big and rotting. Meas very near 2642.2 down 2', set C/M over stake with piece of oak post on east side. Just east of stone. 20.65 easterly to 40" in S side massive willow.

#540906 (2)

¼ Corner 8-9, High Forest, 105-14

10-7-82, ¼ Cor 8-9: Found CIM completely out of the ground (apparently washed out) and leaning against the corner post to new fence running West. Found spike in massive willow E'ly - believe R.P. taken in 1972. Tie of 20.65 would bring corner just on E. side c.p. Dug here and found a piece of limestone standing 5½ x 11 x 11 and against post. Removed stone and found nothing beneath. Dug East a little and North and South along fence. Found a black mark .75 East of center of stone but could not find any evidence of a stake. Did not search further but shot a point 1.75 East of the center of the stone. Stone 20.9 from old R.P. nail

See Vertical File, Survey Data Range 14

Taylor's report shooting CIM (up .2) in 1981 survey, 11-16-82, 1/4 Cor 8-9: Set a CIC/5' p² at the intersection of the line from the West 1/4 Cor 8 (CIM) over T. Taylor pipe at the 1/16 East (set in 1981) and the tie of 20.65 to spike in huge Willow- E'ly taken in 1972. Corner on NE side of c.p. to fences N-S-W. The corner is at the location of the piece of stone fd. 10-7-82. Corner 1.5 W and .13 N of the pt shot here.
