Meas. N. To 11-12-13-14 (road inter. only) 2640.0'

Gov't Notes Surv. by 1853
40.00 Set post to corner for sec. 13-14
in mound of sod & earth deposited
charcoal made trench pits planted
Osage Orange seed Ever after trench

11-5-84: ¼ Cor 13-14: Dug from point 39.0± (line
from W¼ 14 over ½ ± (Pt) Date of t.n. and under

N-S fence, fm 3' North, 2½'+ South, 2' West and 2½' East by 1½' to 2' deep to clay. 39.0 North came .5 North of RR tie fence post in N-S fence Could not find evidence of old C.P. or called for by Hunter but there was one knocked loose. C.P. possibly dug out when present post set. Found a 5"x7"x12" Boulder (down 6") and standing under N-S fence. There were some wood pieces by the stone and under the stone, but a gopher had dug directly under the stone so there was black dirt and a soft spot under the stone but not a definite stake hole (See Drwg-Railroad location Survey) We also found the remains of a small stake - 2" clear by 9" long reaching into clay and standing ½' East of N-S fence (See Drwg-Railroad location Survey
