5-1874 Hunter P244 No 245 L14 E Judge, M Cassidy set marked stake at inters 1/4 line as corners set up for 1/4 corners (all 1/4 corners gone at this survey) -16 west set marked stake M & L. 20.11. (1327.26

11-1968 J Kerr. after finding orig W 1/4 cor west set M & L P 244 (sleigh shoe & stone). Meas east on line f found 1/4 14-15 and fence terminal N-S-E at 1/4 13-14 (land east nav common land - both east & center 14 and east of 1/4 13-14 but lasted east of 1/4 13-14 was separate parcels so assumed fence east as orig line. mes.

this E-W 1/4 line hits S road nicely.
- Ho W dug extensively 4' x 4' x 8' for 1/16 stake - clean black soil - found one spot appeared as real dark hole at 1325.72 from W 1/4 Cor. Record = 1327.26 1.6' short record 1874.
this came only .9' north of E-W 1/4 line set up above. set long pipe at 1/16 cor. came in center road.
MHD disc in tele pole NW 80.3 - bottle cap in PP N 93.8.
corner comes about 3' east of fence north which explains Mc Ghies assumed corner at W 1/4 14 being 4.2' west of stone.

Center # 541409

11-21-75 Dug from nail 12'E and 10'N to clay (3') but found nothing

1/16 West

11-26-75 Dug with backhoe to cover point 4'N and 5'E of John Kent's corner. Much black dirt but found nothing. 1' of frost in road - hard digging! Did not get directly N. of Kent corner

9-24-84 Center 14: Found 5/8" rod at road surface but it did not fit R.P's taken in 7-22-1974. Set spike at intersection of tie to pole East and pole stub NW and came .15 W and .24 N

of rod (but tie to pole SW still 0.11 long. Shot rod dz is from West.

11-1-84, Center 14: Dug as follows:
Dug 3' deep. 1' of road fill, then 2' of coarse rock to clean clay
Area probably old fort bed. Only extreme West edge of hole had skiff of black dirt. Digging on hunter pressure from North and West.

11-1-84 1/16th West of Center 14: Dug as follows:
Dug 4' deep to clay. Much black dirt.
Old diggings not quite to clay. Found good stake hole beneath black dirt at clay line. Followed down 6". Good topper and piece of wood. Drove a 5/8" re-rod in stake hole and threw crushed rock around it. Set reddish colored small boulder on top of iron rod.
