Meas from 1/16 fence meet ¢ equal to meas W 1325.5 R132627
corner wonel come 25' east ¢ .00 nail. and near or maybe
slightly south line ¢ fence east. 8.5 east ¢ road.
dug and probed extensively at area corner past center 19.
several stones lying in area may originally have been corner.
Can set corner after finding W ¼ 19.

(10-182)
Pile stone west of Cen 19
stone with 3/4 pipe on west side

6-14-71. Co surv found stone at W ¼ 19. 10.5 E ¢ .00 nail
making 1/16 stone to W ¼ stone 1269.42 R 1269.57
- 1/16 stone east ¢ fence line S at Center 1304.08 R 1305.81
- (S) 25.5 N at cor post at Center 19 and 1/16 stone west. line fell 20.5'
north 4.00 nail which later was 2.1 north of stone indicating corner at
center 19 would be about 1.6' E of post and 2.9' south Gates cor P.

3' West of C.P.

10-4-73 set H P on rod one stone at W 1/4 19. 105-14
set prism just west of stone at 1/16. all new fence - 5/8 rod
and wood post pulled out and gone stone down about 18" to
top of stone. pushed line east. data on reverse side
almost exact as to where center should be. acts to S & E.
it would come under west edge huge boulder fully 2' every
direction including deep. set 120 on projected line on very
edge of stone as close as possible to get 120 on ground.
it would be. from W 1/4 19. R. 2595.32. .15'
later set 1/2" rod a little east.

11-6-73 drove direct to corner from east dug and
probed up to 7'+ north and found nothing but surface
stones rod still in at line W 1/4 19 and 1/16 stone
and prop electronic mark. Case closed. E line 19 off
somewhere on records. see 1/4 19-20.
final Mac H 1/4 19 (now C/M) east 1269.5 E then 1305.8 E.

Center 19, High Forest, 105-14

10-12-82, 1/16 North: Dug from huge C.P. (t.n. in top of post and centered over base of post) South for 5'; West 1½', and East 2' by 2' to 2½' deep to clay. Removed many boulders, some huge. Bits of rusty wire and nails clear to clay. Found nothing. We were digging on line from the c.p. @ the 5¼ Cor 19 over the iron @ the Center 19 (set by RLB in 1971) and on Hunter's measure from the iron at the Center 19 (Pt. came 2.4 South and .8 E. of t.n.)

10-14-82, 1/16 West: Dug from stone West 2½' and North 2' but did not find anything. Looking for anything M&L between W¼ Cor 19 and ~~stone~~ c.p. @ Center 19. Stone Fd. 5-13-71 looked good and stood .4 E. of true. Found nothing further.

10-19-82, 1/16 South: Dug South and West from t.n. on south side of c.p.. Found mark of old post 2½' West and 2' South of the t.n. and then found mark of old stake (approx 3" diameter and tapering to a point, down 1' and running 1' into clay) 3.8 West and 3.3 South of the t.n.. Left only spike in stake mark.
