Card #2. Center 21 High Forest 105-14 (2)

9-24-92. working in Sec 16, found center 16 stone and relocated 1/4 9-16, reproduced line south to area of 1/4 16-21 and found line to come 5.55 west of point used to set C/M at Center 21. 1968.

- dug at 1/16 corner west of center 21 with tractor found 4 stone badly shifted as stone very shallow - area low + wet so referenced meas, line and approx stone location and dug west and north of C/M at Center 21.

- found 4 stone 3"x10"x ? 1.9 west and 1.4 north of C/M in place. - later found true corner at 1/4 21-22 proving N-S of this stone definitely
