3-31-81 CIC/p²

#542306

1/4 corner 22-23 Ft Forest 105-14
6-1899 Ft F racer. P659 No 587 L26 Fourn Board.
Could find no corner here.
Meas from 1/4 26-27 north To 14-15-22-23
120.12. set section corner.
above 1/4 corner would likely have to be set
M&L 40.04 if ever needed.

Gen'l Notes Ja by 1953
40.00 set 1/2 set post in Mound of earth
Soil disturbed charcoal. Made tomb + pits
planted Osage Orange Scrubs NW + SE

3-31-81 (1981 Ramon BK) Set a CIC/p² as corner midway between the section corners and 598' East of the center of the railroad bed as shown on the RR plat. The corner came 12' South of the center of the old road East (only 500'± still in place) and 4' South of the fence East and 4' West of the fence North. We dug from the point at which the monument is set, North 3', South 1', East 1½', and West 1½' by 4' deep to clay. Found nothing. Set a survey marker sign and post .97 North.
RP: CSD in corner post NE 6.05
