X 8-23-71 set C/M over iron found. #542706 (1)

1/4 Corner 27-28 Hi Forest 105-14

6-1892. Thos Fraser P 491 no 465 S 28. Tom Kelly, M Donahue.

set temp stake from witness tree
used to set center only, no mear as usual.

10-1958 McGhie found small boulder.

Brass disc (likely MHD)	fence post	S 32.7.
"	" "	NNW 34.9.
"	tele pole	ENE 86.6.

8-23-71 Co surv. easily found. iron pipe set by Connie Fossom of McGhie as corner claimed set Version

over

referenced iron and dug with tractor. found nothing or any indication of digging below area of pipe, dug to clean clay. - found. very vertical boulder 10 x 13 x 24' exactly due north of iron 3.1' — no record other than temp. stake set from bearing tree. stone could have been set by Fraser. M&L in fact survey or Hunter. no records. see card 2.

As iron pipe had been used and on near exact line from cross in stone at ¼ 28-29 over stone found at center accepted as true corner and set C/M. over iron found. left stone in place as found north.

- Corner in line fence north and south and 1'S & road.
35.0 N to pepsi bottle cap on W side cross. corner post.
30.6 SSE to pepsi cap on E side power pole 10944.
108.95 NNE to SW corner ~~stucko~~ attached garage of new house.

Card # 2. 1/4 27-28 High Forest 105-14. (2)
9-1902. R Fraser old fieldbook no 10 P 54. S 27 for
Corner stated as used in previous survey. Hieser
Meas E "D to 1" overran 36 1/2 2. 24.09' or 2664.09' #542706
set 1/10 east or "2" which meas S came 1 3/4 L short 2638.85
P 55 S 28 Hieser at "H" could find nothing, they
said stake had been plowed out. Found stump of
L E witness tree and set stake from stump which
on testimony of one Mr. Duncan was very near correct.
Corner as set lined with stones with crosses at
Center 28 and 1/4 28-29 as found line ~~short~~ 28 1/2 Lks
10.48, as Thos Fraser Meas from Center 28 set intersline
me.

fell 39.86 east of W 1/4 28. 2630.76 and the corner found with backhoe. 8-20-71 came 2629 east of stone with cross or 16.6 lks 2 hubs F 14 1/2 lks bus mens. as center 28 as found and C/M set at 1/4 27-28 at McGhie rod never measured. boulder found at 1/4 27-28 8-23-71. may never be proven as to when it was set. McGhie did not find a stake only small stone. but is lines almost perfect with cross on stone at W 1/4 28 and center stone at center 28. Corner letter A left as set.
"ran H-A" (NE 28 & to E 1/4 28) overran 8 1/2 L 5.61.
set 1/16 4 some kind south.
Note 3-19-73 C/M has been pressed NW by at least 1' ± by bulldozer
