7-1903 Robt Fraser unrecorded field book No 10 P(19)
Quote "set instrument on a stone at "1" (center 29)
this stone agree within 1 inch (or link) of being in line
and 1 ℒ in measurement.
"D" to "1" (W ¼ stake found to center stone found) over ¼ link
"H" to "1" (E ¼ found stone with cross on south
side of road) found 7-19-71 – short ¼ link
"D" W ¼ 29. now C/M stated as short 13¾ lks. 9.8±
1/16 north set by 2 bros Fraser 6-1892 M ℒ. 1315.58.
or 2631.16 – 9.8 = 2630.2 1971 2630.4
so ¼ corner pretty close as N-S - ¼ center found and E ¼
position ¼ 29-30 could be adjusted and inchor so (no more).
Unwelds tract M. HD "flat" stone too far.
Quote "7" "B" (S ¼ & N ¼) came west 3½ lk 2.31' and short
10½ lks (6.93) found Center 29 !!
