boulder stone placed by Racrson and others in place of
old stake found but had been moved west by grader
and it had lined perfectly with fences N & S. found SWBT
standing which brought in line fences but on south side
road while corners over it came in center so set stake
with stone by side in line N & S fences and in E road
according to measurement & govt field notes.
- east planted boulder stone on line and at 29.87 5/8 (1971.8')
