Dug trench.

11/16/90 County Surveyor, dug with backhoe to cover center of road & line of fence E-W. Found 2" diameter black mark running down 5" deep into clay to a point, very black and looked real good. We hit an old road at 2.3' deep on black over →

Cont. 11/16/90
All of which had been driven on clay was at 3.4' deep, our hole is 2' E & West & 3' No. & 4' So. of trav. nail.

11/26/90 Set CIM over ½" rod at location of Stake mark found 11/16/90. This falls in ℄ N-S twp road (89th Ave SW) & in line of fence east & west. RP's
