See RPS Card # 2.

Card # 2. 29-30-31-32 Rock Dell 105-15. (2)
#552905
RPS taken 8-6-1965 to C/M
Corner in line E-W fence 2' west of ℄ present road.
100' W. to electric fence post driven to 1' above ground.
133.5 W. to 20D nail on S side 10" chokecherry 4' above gr.

11-6-1973 did not locate corner only with dip needle
near east with 300' tape about 8' north of fence which
is not in good shape. found lone wood post nearly
rotted off with wires from both east and west anchored
to it. fence row at corner area filled with boulders
some too large to move. on digging area above at least
12 to 15 inches erosion by wind etc. all stones loose
as often thrown into fence row finally located vertical
peach seed shaped boulder very pointed and vertical in
over

clean original soil with wide sized edges N & S.
examined closely for remains of stake but found none.
raised stone mound to surface with 40 rail & piled
& chain link below are no iron at hand
Corner. 85 ℔ of women wire - 20 ESE & wood post
dug out all rock in area and piled up to each of corner
line and mine can now check 1/4 29-32 are set
