SET SECTION CORNER post 80 chs NORTH of 9-10-15-16

10-12-83 Jackhammered small hole at PK nail fd here and shot as traverse nail. Found 1¼"x19" pipe beneath blacktop (blacktop 1' thick). 01 west of the t.n. found a 2"x2" hub with spikes (and several spikes around it) .3½'

deep .26 North of t.n.

10-13-83 Opened larger hole with backhoe. Found a 2½" x 12" x 13" limestone standing with top in old road and base in clay. Old road down 3.03 Drove a 1"x32" pipe on the East side of the stone and put scrap iron around it. Looked for old stake but did not find it. Corner 2.41 South and ~~.99~~ .99 West of the traverse nail

10-19-83 Set a CIM over a 1"sq x 1' pipe over the stone found. Corner 1.8 W. of ℄ C.R 10, 2½' So. ℄ rd. West and in ℄ rd East.
