9-14-73 dug entire area found nothing, very wet area.
11-28-73 set and referenced nail as field corner (1)
6-11-74 Road c.e.h. over a ½" x 36" rod #610806

¼ corner 7-8 Doner 106-11

6-1900 Robt Fraser P686 no 610, S8, Geo Huff & others limestone recorded seen here by settlers but on considerable digging found nothing. Set 6 x 12 x 18 boulder 39.80 3/8 (2627.05) M & L. in west road track north and little north of road center east.

-1/16 east - drone stake, stones on 2 sides, 20.10 M & L

Co H D. B101-P76 1939. dug for corner found nothing. ignored corner as far as setting corner concerned.

OVER.

9-14-73 ran and meas N-S section line and E-W ¼ line 8. dug twice covering results of finding 7-8-17-18 and 5-6-78 also ¼ 8-9 and 1/16 stones east of ¼ 7-8, all area soft black muck, very wet and corner considered lost.
Must reset corner on N-S section line between 7 & 8 intersected by line from ¼ 8-9 over 1/16 stones found betw Center 8 and ¼ 7-8 - Center can then be set on line and at distance from 1/16 stones that 1/16 stones are to corner set at ¼ 7-8.
- data on 1/16 stones set by R Fraser 6-1900 P 686.
- found 2 stones as recorded and stake - set iron by stones
11-28-73 set "2" iron over 1/16 corner as final reset.
127.25 20' W of S to center 6" maple slope.
92.45 WSW to SE corner metal tele cable post at bottom
126.1 SW to NE corner house foundation slope.
