1/4 corner 15-16 Dover 106-11.

1-1885 Hunter P 400 no 390 L15 W 2 compass

found old stake found earlier by John Fraser (Present on this survey) after projecting line from center sect., set limestone 26" x 10" x 4" thick running to point Measure N 39.89 to Fe E
Measure S 39.85

9-1892 Thos Fraser P 497 no 467 - Dickey, Drysdale, Crittenden

Wm Fraser as deputy conducting survey.

found stone center road described by Hunter

1944 Co Hwy Dept R 168 PT all PP McGhee Bros 1948

a pipe in blacktop. Rec PP NW 47.75 - 65.3

" " NE 50.9 - 61.25

" TP SW 40.6 - 58.9

7-14-75
Dug with backhoe at the point maintained by the C.H.D. but found No evidence of the Stone under their pipe. Continued digging & found the recorded stone about 3' North a ½ ft. East of C.H.D corner. Removed the ¾" x 28" pipe set by C.H.Dept.
Placed a 1" x 36" rod in the stake hole on the East side of the stone. & placed junk around stone.
