11-2-79 CIC

#612104

1/4 corner 21-28 Dover 106-11.

5-1891 Thos Fraser P449 no 432 L21 Bracket Sheets.

Corner gone over 20 years. common land on both sides. fence line E-W maintained accurately so

near midway 40.01 1/2 set temp point To survey with

-1/16 exact set unmarked stake midway 20.00 3/4 no bmo

GOV. NOTES - 1853 - J BALL

SET 1/4 SECTION CORNER post M+L 40. 02 1/2 2641.0

11-2-1979 After remeasuring, we removed the pipe set by the County Surveyor and set a CIC on a 4' telepost .05E to the midway. This corner 1.04 North of line from NE 28 to NW 28 but in marsh fence as recorded by Thomas Fraser. This corner ½' South E-W fence and 1.0 South of Survey marker sign

The County Surveyor dug here in October M & L (3' deep). Found a small stone and soft spot slightly West of this point.
