#623609

¼ Corner – Center 36 Eyota 106-12

No records available

10-8-1975 County Surveyor
dug with Tractor on N. edge E-W Road & in line with fence To North.
Line To dig by was by Elec. Trav. from East and road Seems To bend To South also M+L Point at E.¼ 36 falls on N. side of road running west.
Did not find anything as old ditch was dug out into subsoil and no evidence was found which locates Corner any other place, will Set Corner by inter. lines.
Later: Dug S. to center of road but found nothing
