4-28-82, Center 3: Dug from the c.p. (t.n. on N. side of post), North 7', West 1½', and East 1'. Could hardly dig. Stone everywhere. Only thing that was possibly a corner was a 2½" x 8" x 13" limestone 5.3 north of the t.n. (when plumb) and slightly West but leaning South about 45° out of plumb. Could not tell if it was dug in and there was no stake.

4-28-82, 11.00 chs. E. of Center 3: Dug from a point 10' East of the t.n. (set 1' North of the E-W fence) for 1' South to fence, for 7½ North and 3½' West but found nothing.
