9-1-78 CIM

#631904

¼ Corner 19-30 Marion Twp 106-13

No available records — possibly T.H. 1857
used Corner To Set Center of Sec. 30
McGhie & Betts record calls for Sickle
bar To have been set at fence Corner (± 1955)

9/1/78 Set C.I.M. (16" long) over a ½" x 8" bolt with
a 1½" square head - set on Hoyt proportionate
measure and on line using Mn/Dot Co-ord's on section
corners.
RP's: CSD in corner fence post N. 2.80
CSD in Corner fence post - fence E & S NE 26.25
Corner just slightly (less than 1') East of fence line

to North and ± 2' South of main fence line West. Dug hole (± 4' diam.) 1½' deep looking for evidence of Mc & B. sickle bar set in 1950 or any other evidence of a monument. Found nothing except one sickle guard which was not set but just lying down about 1' deep. Referenced CIM to traverse nail shot in 1977 but set CIM from Mc & B Trav. nail 3.11 S.W.'ly as meas'd from S.W. Cor. Sec. 19 by Mc & B.

Good Visib. Wm Sims 1953

33.70 Set pair of [illegible] iron rods & [illegible] charcoal & rock mound, north, 4 pts. planted stony ground W.E. & Sec.
